Global manufacturer with 75+ years of elevator and escalator expertise

Industry-leading reliability with less than 2 callbacks per unit per year

Why Fujitec?

Fujitec is a global leader in vertical transportation systems with more than 75 years of experience designing, manufacturing, modernizing, and maintaining elevators and escalators for complex, mission-critical environments. Founded in 1948 and publicly listed in Japan, Fujitec differentiates itself through deep investment in engineering, safety, and preventative maintenance conducted under strategic mechanic route structures, supported by a manufacturer-direct service model. With extensive experience servicing both Fujitec and non-Fujitec equipment, and an industry-leading focus on uptime and lifecycle performance, Fujitec is a trusted partner for public agencies responsible for safety, reliability, and long-term asset performance.
