30+ years of providing best-in-class verification and eligibility solutions

Industry-specific data designed to reduce fraud and bad debt

Why ONLINE Utility Exchange?

ONLINE Utility Exchange is a long-standing provider of applicant screening (residential and commercial), fraud mitigation, ID/entity validation, utility-specific skip tracing tools, and HR reports purpose-built for high-volume, compliance-driven environments. With over 30 years of experience serving public utility providers, ONLINE combines proprietary industry-specific data with practical decisioning tools that help public agencies make accurate deposit decisions, mitigate application fraud, comply with regulatory requirements, and prevent bad debt. Originally established as a credit bureau affiliate and evolving into a technology-driven solutions provider, ONLINE brings deep domain expertise for utility and public service providers, offering agencies a reliable, defensible alternative for verification and risk assessment workflows.
